

RICARDO A. GODOY

Office address:

SID-Heller School for Social Policy and Management, MS 078
Brandeis University
Waltham, Massachusetts 02454-9110
Tel. 781-736-2784, 2770; Fax. 781-736-8366
E-mail: rgodoy@brandeis.edu

Education:

MPA (Masters in Public Administration), 1988, Harvard University

PhD, Anthropology, 1983, Columbia University

MA, Social Sciences, 1975, The University of Chicago

BA, Anthropology, magna cum laude, 1972, Tufts University.

Employment history:

Professor, Heller School for Social Policy and Management, Brandeis University, March 2002 - present

Visiting Professor, Heller School for Social Policy and Management, Brandeis University, August 2000-March 2002.

Research Associate, Department of Anthropology, Brandeis University, September 1998 - 2002.

Assistant Professor, Department of Anthropology, University of Florida. August 1997 - December 1998.

Development Advisor, Research Associate, and Research Assistant. Harvard Institute for International Development, Harvard U. 1981-97.

Lecturer, Department of Anthropology, Harvard U. 1987-1995.

Visiting Assistant Professor, Department of Anthropology, Wheaton College, 1983-1984.

Instructor, Department of Anthropology, Wellesley College, 1982-83, 1986.

Honors and awards:

Panel, IGERT, National Science Foundation, 2002
Panel, Cultural Anthropology, National Science Foundation, 1999-2002
President's Fellowship, Columbia University, 1977-1978
Phi Beta Kappa, Tufts University, 1972

Grants:**A. As principal investigator:**

NSF (Anthropology), 2007. \$20,000. Exploratory study of Soliga traditional knowledge (V. Reyes).

NSF (Anthropology), 2006. \$162,590. Summer graduate field training in methods of data collection. Three years (2007-2009).

NSF (Anthropology), 2003. \$226,000. Summer graduate field training in methods of data collection. With Lisa Cliggett, U of Kentucky.

NSF (Anthropology), 2002. \$24,982. Comparative study of forest as a safety net in Suriname and French Guiana. With Marieke Hemskeerck.

NSF (Anthropology), 2001. \$44,000. Workshop to evaluate benefits and costs of using panel data in social and medical sciences. With W. Leonard (Northwestern).

World Bank, 2000-2002. \$143,000. Experimental study of cultural empowerment and human capital among Tsimane' Indians. With W. Leonard (Northwestern).

The John D. and Catherine T. MacArthur Foundation, 1999-2001. \$59,888. Encroachers, conservation, and the welfare of indigenous people in the rain forest of Bolivia.

Conservation, Food & Health Foundation, 1999-2000. \$11,855. Spread of leishmaniasis among Indians in the Bolivian rain forest.

Institute of Developing Economies (Japan), 1998. \$20,000. Popular perceptions of privatization in Bolivia.

NSF (Anthropology), 1998-2000. \$65,000. Household determinants of deforestation among the Tsimane'.

CARPE (USAID), 1997-1999. \$40,000. Effects of credit on forest clearance and consumption smoothing in Cameroon.

Wenner-Gren Foundation for Anthropological Research, 2000-present. \$12,000. Markets and use of forests resources among Waymí Indians, Panama.

Conservation, Food & Health Foundation, 1997-1998. \$12,780. Role of human capital in forest use among Indian populations in Bolivia.

NSF (Anthropology), 1995. \$36,642. Pilot study to examine effects of market on deforestation.

Social Science Research Council, 1994-1995. \$13,000. Household determinants of tropical deforestation, Honduras.

NSF (Anthropology and Human Dimensions of Global Change), 1994-1997. \$310,000. Effect of markets on conservation and quality of life among Tawahka Indians in Honduras.

United States Agency for International Development, 1992-1997. \$4.8m. Technical assistance to Government of Bolivia.

NSF (Anthropology and Human Dimensions of Global Change), 1993. \$25,000. Exploratory research grant to select sites, Honduras.

NSF (Anthropology and Human Dimensions of Global Change), 1992. \$27,965. Exploratory research grant to select sites, Nicaragua.

Social Science Research Council Fellowship, Bolivia, 1980-81. Dissertation grant for research on mining in Bolivia.

Fulbright-Hays Fellowship, Bolivia, 1979-80. Dissertation grant for research on mining in Bolivia.

B. As co-principal investigator:

NSF (Anthropology), 2007-2009. About 150,000 for core funding to continue panel study of 'Tsimane' in Bolivia. With William R. Leonard (Northwestern)

NSF (Anthropology), 2005-2008. About \$250,000. Study of the determinants of time preference in rural Gabon. With David Wilkie (Boston College)

NSF (Anthropology), 2003-2005. About 150,000. Study of how economic inequalities affect subjective well being. With McDade and Leonard (Northwestern).

NSF (Anthropology), 2001-2003. About \$140,000. Experimental study on how prices and culture affect choice of game in Gabon. With D. Wilkie (Boston College) and Josh Angrist (MIT).

NSF (Anthropology), 2001-2004. \$214,000. Experimental study to assess effects of cash economy on health and nutrition. W. Leonard (Northwestern U., principal investigator).

NSF (Anthropology), 2002. \$25,200. Modernization and its Discontents: Socioeconomic and Biological Influences on Quality of Life. With W. Leonard and T. McDade (Northwestern U).

C. Grants from National Science Foundation for undergraduates:

A. Yakhedts, Northwestern U., for fieldwork in Bolivia to study effects of markets on health of Indians, 2000. \$3,800.

M. Liberman and L. Williams, U. of Florida, for study of errors in field measurement and botanical knowledge, 1999. \$4,600.

S. Wei, Harvard U., for fieldwork in Honduras to do census of plants and assess folk knowledge of plants, 1998. \$3,332

P. Cahn, Harvard U., for field in Honduras to study history of views of the forests by Tawahka Indians, 1995. \$3,296.

Publications:

A. Books and issues of special refereed journal:

Indians, Rain Forests, and Markets: Theory, Methods, and Analysis. New York: Columbia University Press. 2001.

Small-Scale Mining and Agriculture in Highland Bolivia: History, Ecology, and Commerce Among the Jukumani Indians of Northern Potosi, Bolivia. Tucson, Arizona: University of Arizona Press. 1990.

Economic valuation and sustainable management of non-timber tropical forest products. Special issue of Economic Botany volume 47, number 3. Edited with Kamal Bawa. 1993.
